RE: Draft Language for HEAB's Biennial Budget Request
Date: September 15, 2008

On behalf of the HEAB, I request draft language for the following proposed statutory changes. There are two attachments with this email. Thank you in advance for your assistance, and please call me at 264-6181 if you need further information.

2. **39.435(3) Wisconsin Higher Education Grants – Change Language Creating Maximum Grant**

Problem: A statutorily determined dollar amount indicates the maximum WHEG a student can receive in a given school year. In 06-07 the WHEG appropriation allowed for a higher maximum than was statutorily allowed. Although we requested that the WHEG maximum be increased in the 0507 biennial budget it was unchanged. We were able to change this in the interim session from \$2,500 to \$3,000. The maximum grant in 0809 is \$2980. Without a change in the statute the neediest students will receive grants in 0910 that will reflect no more than a \$20 increase per

This bill permits HEAB to establish the maximum amount of a WHEG grant, but prohibits HEAB from increasing that maximum amount unless HEAB determines that as many students will be awarded WHEG grants in the current academic year as in the previous academic year.
